Multigoal Composite

Multigoal allows you to predict the total number of goals in a match using a range.

For example:

1-2 goals: Predicting a minimum of one and maximum of two goals in the match

1-5 goals: Predicting a minimum of one and a maximum of 5 goals in the match

2-4 goals: Predicting a minimum of two and a maximum of 4 goals in the match

6+: Predicting the match will end in 6 or more goals, etc.....
