

Nairabet Market Types

What does the market type home to win and over 1.5?

This option means that you are predicting that the home team will win the match **AND** the total goals scored in the match will be below or above 2 goals.

Home AND Over 1.5: Predicting that the home team will win the match **AND** the total goals scored in the match will be over 1.5 (2 GOALS AND ABOVE)

Home AND Under 1.5: Predicting that the home team will win the match **AND** the total goals scored in the match will be under 1.5 (AT MOST 1 GOAL)
