Futsal

Futsal is a variant of association football that is played on a smaller pitch and mainly played indoors. Futsal is played between two teams of five players each, one of whom is the goalkeeper.

Unlimited substitutions are permitted.

Unlike some other forms of indoor football, the game is played on a hard court surface delimited by lines; walls or boards are not used.

Futsal is also played with a smaller ball with less bounce than a regular football.

All Futsal matches are settled on the full-time result. Extra time does not count.

Market Types:

Match Betting

You must predict who wins the game at the end of the regular time or if the game ends in a tie.

Under/Over

You must predict whether the total number of goals is more (Over) or less (Under) than the given parameter. The result of the bet is decided on the scores at the end of regular time.
