the ATM card.

The screenshot shows a payment interface. At the top left is a blue logo consisting of three horizontal bars. To the right of the logo, the email address 'lino_jonez@yahoo.com' is displayed, followed by 'Pay NGN 100' in green text. Below this is a horizontal line. The main heading is 'Enter your card details to pay'. There are three input fields: a large one for 'CARD NUMBER' containing '0000 0000 0000 0000', a smaller one for 'CARD EXPIRY' with 'MM / YY' below it, and another for 'CVV' with '123' and a 'HELP?' link. A large green button labeled 'Pay NGN 100' is positioned below the fields. At the bottom, there is a link that says 'Pay with a saved card'.

Card number: these are the numbers in front of your ATM card. It is usually 16 digits, however, in some ATM cards, it may be more than 16 digits.

CVV: these are the three digits at the back of your ATM card. Note that some cards may have 7 digits. In such cases, please enter the last three digits.

MM/YY: this the expiry date of your ATM card. It can be seen in the front of your ATM card.

Once you have entered these details, click on continue.

You will then be sent an OTP; enter the OTP and click on PAY and your account will be funded.
