

# Bet Placement

## Do you have a bet code and you want to place the bet online?

If you have a bet code from a friend and you would like to place the bet on your NairaBet online account, you can simply load the bet code.

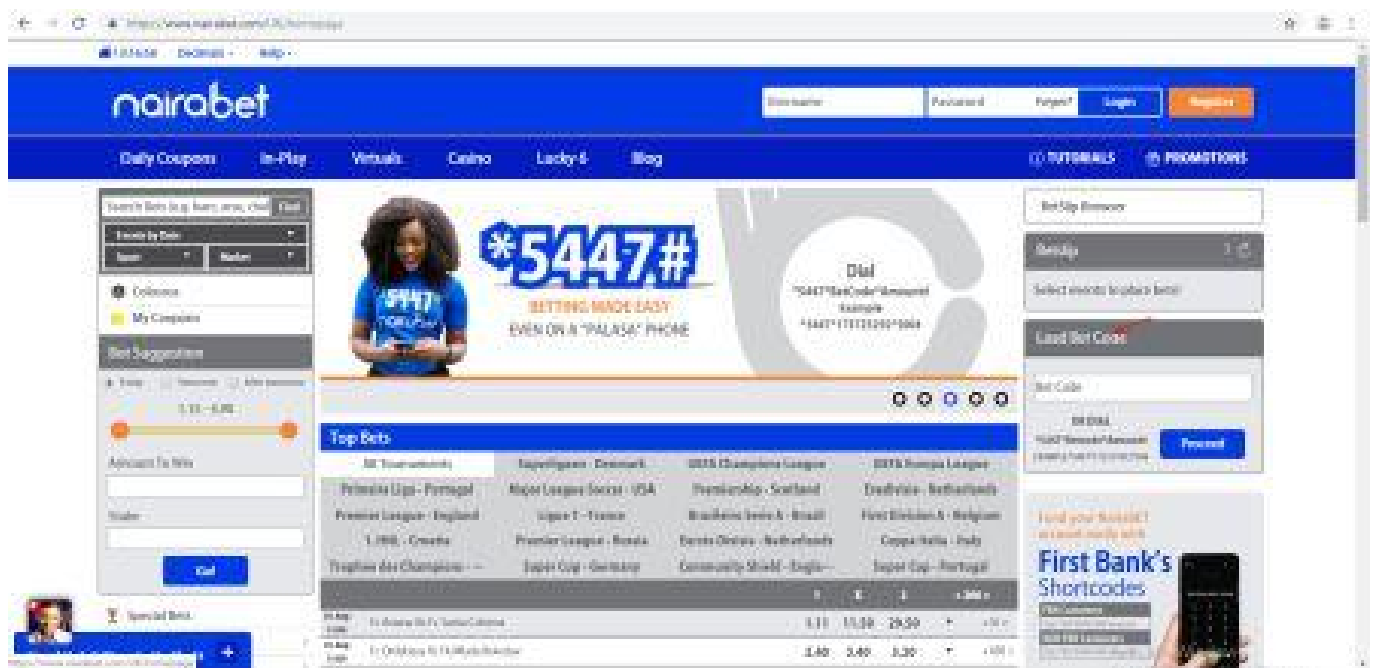

To load a bet code , please log into your Nairabet account and click on "**Betslip**" at the bottom of your screen if you are making use of the mobile version.

Check betslip by booking code

Booking code

Check Betslip

If you are making use of the desktop version, "**Load Bet Code**" can be seen at the right corner of your screen.

Enter the bet code in the space provided and click on "**Check**".

**The** selections made will be displayed, you can then input the stake and click on "**Place Bet**".
